General PA Rules

Thank you for renting a PA kit from AED Rent.

You received professional equipment in excellent condition. Together with you, AED Rent strives to maintain this high standard and you share an important part of the responsibility.

At your request AED Rent can provide technicians (subject to availability).

If you need further assistance, please inform us in due time of the required services and know-how. Please note that additional rates will be applicable.

We will gladly give you all the information you need.

General Rules for AED Rent PA Equipment :

- At all time, the equipment must be adequately protected (against rain, dust, impacts etc.).
- There must be sufficient multi-cable protection (cable crossovers), at least between F.O.H. and the stage.
- No smoking in the immediate vicinity of the mixing consoles.
- No drinks nor food on the consoles or side racks.
- The use of tape on the leather parts of the consoles is prohibited.
- Absolutely no writing on the console is allowed.
- To avoid scratches, the use of sharp objects on the console surface is not allowed.
- The setup must always take place indoors. In case of outdoor use all necessary precautions need to be taken to protect all equipment from rain, dirt, dust, etc…

By renting a PA kit from AED Rent you confirm that you fully accept our terms and conditions.

How to order from AED Rent?

Please confirm your order by fax or e-mail*, including the following information :

- **Dates of use**
  - This is the effective period of use
    > Rehearsal- + Show Days

- **Dates of shipment**
  - This is the handling period
    > Transport and installation days are free of charge;
    - locally with a maximum of 4 days
    - abroad with a maximum of 6 days

    > Late return of equipment will be invoiced as a new rental period.

- **The requested equipment + the correct quantity**
  - Please remember to order the accessories required for adequate installation and connections;
  - We are not responsible for equipment that was not ordered;
  - The required cables must also be specified on the order;
  - Please clearly indicate the types, lengths and total quantities;

If you are not sure about the exact requirements for installation and connections, please mention this in your fax or e-mail. Contact our Rental Service department for more information.

How to make sure your order is and remains available?
An « Option » Form : Reserves your requested equipment for your requested dates for a limited number of days in our system (See option below for details);
An « Order » Form : Immediately confirms your requested equipment for your requested dates;

Quotation
The Quotation only provides prices for the requested equipment but does not reserve it. Therefore, if you agree with the terms on the Quotation, sign it and fax or e-mail it to the Rental Service to confirm either your Option or Order;
If you sign the Option before its expiry date and return it for confirmation, it becomes a binding Order. If you do not sign and return the Option or Order, it will expire and the equipment is free for rental to other clients.

Option
- **No Options** will be accepted within one week prior to the rental pick up date.
- **3-day Options** can be requested maximum one month prior to the rental pick up date.
- **7-day Options** can be requested maximum three months prior to the rental pick up date.

How to order?
Orders are immediately entered into our system and will block the requested equipment for the specified period;
The order voucher will be faxed or e-mailed to the client for a final check of the equipment and dates;
You must confirm the order with name and signature for approval, mentioning the P.O. number or reference and return it by fax or e-mail.
***Orders sent from free e-mail accounts will not be accepted.**

How to change an order?
Only in writing by fax or e-mail and subject to express acceptance by AED.
AED is entitled to charge cancellation charges as specified below.

How to cancel an order?
We only accept an order cancellation in writing by fax or e-mail;
You must mention the word **"CANCELLATION"** on the order form and fax or e-mail it to the Rental Service;
- If you cancel your order between fifteen to eight days prior to the rental pick up date, you will be charged for 25% of the total relative rental amount.
- If you cancel your order later than the eighth day prior to the rental pick up date, you will be charged for 50% of the total relative rental amount.
- If you cancel your order within 24 hours prior to the rental pick up date, you will be charged for 75% of the total relative rental amount.

Pick up and return date/time
Equipment Pick up : Not earlier than 14:00H (on the date specified on the order).
Equipment Return : Not later than 12:00H (on the date specified on the order).
If you return rented equipment too late, the next customer may have to wait for his order. This can cause unnecessary complications for all parties involved. Please do return equipment on time. If you return equipment later than specified, you will be charged for the additional rental and shipping costs incurred in getting the equipment to the next customer on time.

For "simultaneous return and pick up"
If you want to return equipment and pick up a new order at the same time, please specify so on your relative Order.

Payment
If payment terms are "payment on delivery", you will have to pay before picking up your order.
We only accept cash payment up to € 3.000,-. AED may also accept proof of payment issued by your bank, confirming that the actual payment has been executed.
We only accept Credit Cards in Belgium.
If you have overdue invoices from any AED company, AED is entitled to refuse any pick up of additional equipment as long as such invoices have not been settled in full.

General Terms and Conditions for Hire at AED Rent Companies

- By confirming the order form or delivery note, the client accepts the applicability of the general terms and conditions of the AED Rent company involved, to the exclusion of any general terms and conditions of purchase or otherwise of the client.

- **Check http://www.aedrent.com/legal/ to download:**
  - The general terms and conditions for Belgium, France, The Netherlands and Germany
  - The special conditions "Accidental Damage and Theft - Waiver" for Belgium, France, The Netherlands and Germany

  Without prejudice to any provision of the general terms and conditions referred to above, the client understands and accepts that:

- 1) At all times, the rented goods remain the full property of AED or its affiliates as the case may be. The client is liable at all times for damage to, loss or theft of the rented goods until such goods are returned to the warehouse of AED. The client will promptly report any damage to, or loss of the rented goods to AED. The client will return such goods immediately to AED and will compensate AED for the costs of repair or replacement and for the loss of rental income during the period required for repair or replacement, to the extent such period exceeds the rental period agreed and paid for by the client.
- 2) The client will insure the goods against damage and loss (including theft) for such time as the goods are at its disposal. AED can require the client to provide a copy of the insurance policy and evidence that it is up to date with payments thereunder. If the client does not take out appropriate insurance (or fails to demonstrate this to AED), or in case the client requests AED to do so, AED or any of its affiliates will take out insurance to cover the risks of accidental damage to, loss or theft of the rented goods, subject to the terms and conditions set out in the Special Conditions "Accidental Damage and Theft - Waiver" referred to above.
- 3) The client is personally responsible for all damage caused by materials of AED, regardless of their condition. The client will insure itself against such damage caused by its own actions or defects in the materials.
- 4) All rented goods have been inspected in accordance with Belgian legislation. The client is personally responsible for all necessary inspections on site and all licenses and/or authorizations regarding the use of the rented goods.
- 5) The client must verify that he/she receives the rented goods in good condition. The acceptance of goods by the client or its transporter without including any remark on the bill of loading, or the receipt, or any other form of confirmation of receipt, serves as proof that the consignment is delivered complete and in good external condition.
- 6) All goods must be returned in original condition: repairs, renovations or other modifications applied by the client or third parties to the goods are expressly prohibited without consent of AED, and every potential damage and/or costs resulting therefrom will be recovered from the client.
- 7) Late return of the rented goods is at all times charged to the client and increased with the costs resulting therefrom.
- 8) If AED cannot meet its delivery obligations, for whatever reason, AED will inform the client thereof as soon as practically possible and will suggest potential alternatives. If these alternatives are not accepted by the client, the client will only have the right to terminate the agreement without incurring any further charges. Any further liability or compensation from AED is excluded.
- 9) Without prejudice to any other provision of the general terms and conditions or the provisions mentioned in this price list, AED is only liable for the damage caused by its breach of contract (including grave fault) or tort that is directly suffered by the client, and does not exceed an amount equal to the price paid by the client for the goods or services (including rental) that gave rise to the damage. Any other liability of AED is expressly excluded, including among others indirect or special damage, damage for loss of profits, loss of contracts, goodwill or reputation, damage to or corruption of data, or any other type of *lucrum cessans* or consequential damage of any kind, in each case howsoever arising and whether arising in or caused by breach of contract (including grave fault) or tort.
- 10) All invoices are payable in cash or bank transfer in advance, unless a specific payment term has been agreed to by AED in writing.
- 11) Complaints or disputes must be notified to AED in writing by registered letter within 7 business days following the invoice date in order to be considered. Any dispute by the client of any invoice or any part thereof, for any reason whatsoever, does not entitle the client to withhold payment of the due invoices, not even in part.
